Support Team Days Inclement Weather Procedures

During inclement weather conditions (snow, ice, fog, etc.) there may be concerns as to how to proceed with attending C.L.A.S.S. Support Team Days. Please review the following procedures. We hope you will find this information to be helpful. We must all use the Life Goal of “Do the Right Thing” while focusing on the Lifelines of Flexibility, Common Sense, and Responsibility during the winter season.

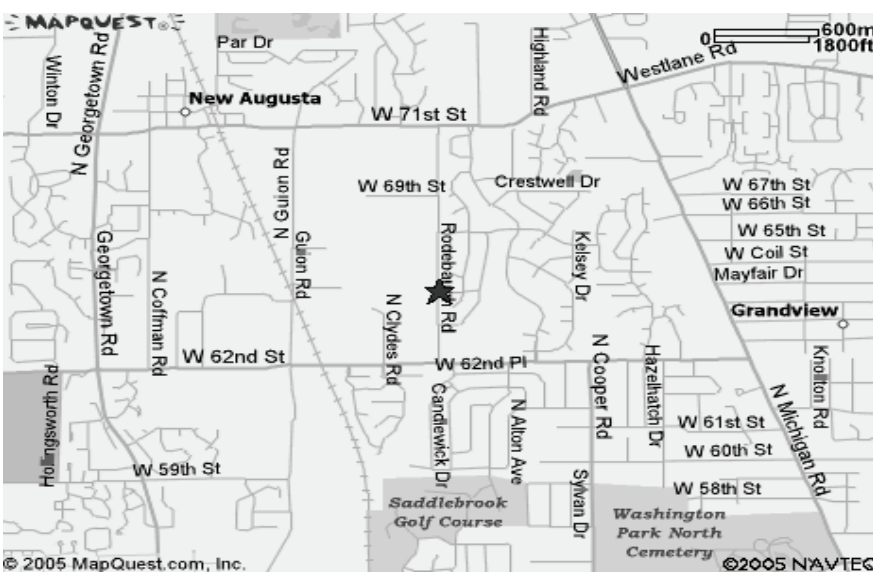

1. If your school is canceled, but the C.L.A.S.S. Support Team Day site is in session, please use good judgment about the road conditions before you attempt to travel. Never travel if the weather is hazardous.
2. If you are concerned about the status of a C.L.A.S.S. Support Team Day site, please contact the C.L.A.S.S. Support Team Day site directly. The phone number is printed on the map provided to you by C.L.A.S.S.
3. Neither the C.L.A.S.S. office nor the C.L.A.S.S. Support Team Day site is responsible for contacting participants if the Support Team Day is canceled due to inclement weather. It is the responsibility of the participant to contact the Support Team Day site if there is concern about the site’s status.
4. If the school hosting the Support Team Day is **delayed**, then the Support Team Day is also delayed. **The Support Team Day will be delayed 30 minutes per each hour of delay.** Hopefully, this will allow everyone to arrive on time, but still end the Support Team Day at the regularly scheduled time, without omitting valuable information. C.L.A.S.S. Support Team Days are scheduled from 8:30 - 3:30.

- 1 Hour Delay– Support Team Day begins at 9:00 a.m.
- 2 Hour Delay– Support Team Day begins at 9:30 a.m.
- 3 Hour Delay– Support Team Day begins at 10:00 a.m.
